

Dear Parents

Our topic this Summer half term is '**Teeny, Tiny Things**'. The **Topic Web** attached to this letter, will show you what we hope to cover over the next few weeks.

A few of the children are now on reading books, please make sure that their reading book & reading diary is brought to school each day. Can you also ensure that you look after the book by putting them in a plastic case/folder? They are available from the school secretary for £2.50.

The children will continue to have 'Sounds' books - it would seem that lots of them have gone missing over the year! Please let me know if you would like to have one & we will endeavour to replace it! These books **MUST** be given in every Tuesday, in order to mark & return with a new 'Sound' on Wednesday.

We are making great progress with the 'Phase 2' sounds please continue to practise these with your child.... we are using the 'Jolly Phonics' songs to help us.

We always hope for some fine weather during this term, so can you check that **ALL** clothing is clearly labelled....!? Including hats/coats/jumpers etc. Please start the day by putting some suncream on your child if it looks like the sun will shine! We do check and keep a close eye on them, when they get outside, but it does help.

Snack money - this is still £2.00 per week. The money is used to pay for your child's snack everyday, plus cooking activities and everyday resources. The total for the summer term works out at £22 (10weeks total).

As always, please feel free to get in touch if you have any concerns...

Many tThanks!

The Nursery Team
